

The Ferrisburgh Conservation Commission invites you to an educational presentation at the Ferrisburgh Community Center & Town Offices

WEDNESDAY

**10/21,
6:30pm**

FERRISBURGH

WHERE THE WILD THINGS ARE

Join Vermont's Department of Fish & Wildlife Conservation Planning Biologist Jens Hilke for an evening presentation and conversation about wildlife in the area. We'll start with a historical look at the region and learn about who lives here, current issues, and what we can do to protect vital habitat.

Questions please contact Jen Cirillo, Conservation Commission Member, cirillo.jen@gmail.com
