Personnel

The board reviewed the applications for the position of Highway/Grounds Maintenance Worker I. The board had asked John to screen, and review the applications prior to the board meeting. John stated that he was recommending three applicants to the board. John also stated that he had met with all three of the applicants.

James Warden made the motion to offer the position to Reilly Laberge, at a rate of \$14.00/hour, and to offer a one-person insurance plan. James Benoit seconded the motion. Motion passes 4-0.

Meeting adjourned at 5:30 pm.

Respectively submitted,
Loretta Lawrence, Board Clerk
