Selectboard budget meeting

Members present: Steve Gutowski, Jim Warden, Loretta Lawrence, Sally Torrey

Officials present: Garrit Smits-Town treasurer, Bill Wager, Town Fire Chief

Loretta called the meeting to order at 5:25 P.M.

Bill explained his proposed budget. It is \$3375.00 more than last year due to additional line item for SCBA replacement. Their air tanks are ten years old and will need replacing soon. They have done a great job to hold down their cost and do a lot of fund raising to help cover expenses.

The listers budget was also presented in the amount of \$46,600.00

A title change was made to line 9392-54 from Addison County Sheriff's office to Law enforcement.

Jim Warden is in early discussion with Chief Merkel from Vergennes about the possibility of coverage in the future.

The board is awaiting a letter from VARS with details about their budget.

The next budget meeting is scheduled for December 30, 2014 at 5:00 P.M.

Respectfully submitted:
