Minutes Approved

Members absent: Matt Gorton, Joe Nelson, Jen Cirillo.

No one logged in remotely.

1. Craig opened the meeting at 6:15 p.m.
2. Town Plan Update: We reviewed Section 3.1 “Natural Resources” of the current Town Plan [2017-2025], and made notes on our suggested changes. We only had time to review sub-sections A and B of Section 4.1 “Natural Resources Policies”. We will continue our review of both sections at our next meeting, on Feb. 13. Craig offered to compile our suggestions from this meeting, in the Google Doc that Jen created. Don will send the suggestions that he made for Craig to incorporate. We didn’t address the format / layout of the new Town Plan; that could be a later discussion with the Planning Commission.
3. Meeting adjourned at 7:56 p.m.
4. Next meeting: February 13, 2024, 7:00 p.m, as usual – hybrid.
