

Ferrisburgh Conservation Commission
Meeting December 13, 2011
Approved Copy

In attendance for the FCC: Craig, Dennis, Karen, John, and Deb

Craig opened the meeting at 7:40pm.

John moved to accept the minutes of November's meeting as amended; Dennis seconded the motion; all voted in favor.

A. Town Forest boundary marking

1. Just a small part southeast corner needs to be finished.
2. It appears the snowmobile trail has been rerouted.
3. We observed a minor encroachment (3 or 4 trees taken down) in the Town Forest by Al Chamberlain to create a view corridor for his viewing platform.
4. Deb will contact Chris Olsen, County Forester to see if he can identify areas for succession clearings. Craig will contact Nick Patch at LCMM to see if they still have need for trees. Firewood from the succession clearing can go to the Community Woodpile.

B. Run off into Button Bay We reviewed Kowalski description. Craig will send an email offering FCC support.

No other business was discussed. Karen made a motion to adjourn and it was seconded by John. The meeting adjourned at 8:25pm. The next meeting is January 10, 2012.

Respectfully submitted,
Deb Healey
