Members present: Bonnie Barnes, Rick Kerschner, Lindsey Brown, Annie Cohn

6:30 pm open

Sidewalk Scoping Study

-We received proposed alternative drafts from Dubois & King, which are now displayed in the town hall down stair's meeting room.

-On 9/5/23, Jenny, of D&B, will attend the Selectboard meeting to present and discuss the scoping study thus far.

Annual Report:

Bonnie wrote up a report to send in prior to the 8/22/23 special Selectboard meeting; called to hear from each of the official town committees about this year's accomplishments, up to present, and what may be in the works moving forward. They'd also like to know what support might be needed from the Town. Bonnie will attend this meeting as our rep.

Brown Church:

Not a lot to report here except

Lindsey created a short intro and info letter to send to established day care entities to learn if any interest in the "church" exists.

YMCA, Heart Works, Let's Grow Kids are targeted.

Rick said he'll help Lindsey. When they report back with that information, we'll learn what to do next.

Need SB ok to proceed and will ask at tomorrow's SB meeting.

Membership:

We need an official membership list.

Bonnie, Rick, Lindsey and Annie and Richard are in.

Paul Hoffman and Jeanne Camouche will leave.

Keith and Amanda are a question. Annie will contact them to verify their standing.

Meeting close 8:00 pm
