2. **FTC Member Recruitment** – Amy welcomed a number of new guests to the meeting, many of whom are interested in joining the Committee. Introductions were made and background information provided on the workings of the Committee to date.
3. **Website/Social Media Development** – Amanda and Robert updated the Committee on social media and website efforts. Amanda created the framework of a Trails Committee website using Google. Once developed the website will offer a more graphical, picture-based representation of the Committee’s work versus what we have now on the Town’s website. We discussed creating and funding a domain name for the Trails Committee website. Robert brought the committee up to date on its Facebook page and email account. Our email account at Comcast is not easily accessible by Committee members.
4. **New Business:** Courtney wondered if now would be a good time to work on the trail to and within the Ferrisburgh Town Forest. Discussion ensued about who has jurisdiction over the Town Forest. Inquiries will be made with the Conservation Committee about possible projects within the Town Forest.

Next Meeting will be at 7pm on Monday, February 13, 2023

Meeting adjourned at 8:45pm
