The committee created a Google email address: ferrisburghtrailsvt@gmail.com. The committee will forward any emails from the town created email address to this new account. Amanda will take the lead on creating and maintaining the website and will pull Drew and Bridgette in for help as needed. Amanda to coordinate new site with Betsy.
- 3. Updates to Municipal Planning Grant application:** Anne updated that Steve has heard back from the state grant administrator and they have not taken a decision yet. There was a clerical error which required a formal amendment. We should be notified in a couple weeks once the issue is cleared up.
- 4. Trail Work:** The trails committee would like to help work on and maintain the Ferrisburgh town forest. The committee understands that the Town Forest is currently maintained by the Conservation Committee who is working to come up with a plan for this area. Barry will act as the liaison between the two committees and bring this up with the Conservation Committee at the February 14th meeting.

Next Meeting will be on Monday, March 13th, at 7pm.
