

Town of Ferrisburgh SelectBoard
Special Meeting Minutes
Tuesday, September 29, 2015

Members present: Jim Benoit, Steve Gutowski, and Loretta Lawrence

Visitors present: Carl Cole, Craig Heindel, Bob McNary, Bob Peisch, and Monica Tupper

Steve Gutowski, Chair, called the meeting to order at 7:00 p.m.

The purpose of the meeting was to discuss the proposed Anbaric and National Grid underwater and underground 60-mile electric transmission line that is being proposed to run through parts of Ferrisburgh.

Discussion ensued about the best way to move forward to find out more information regarding the project. The select board felt that a meeting with Anbaric would be the best way to move forward with any discussions.

The board asked the Board Chair, Steve Gutowski, to contact the appropriate people at Anbaric and invite them to meet with the select board.

Loretta Lawrence made a motion to adjourn the meeting. Motion seconded by Jim Benoit. Motion passes 3—0.

Meeting adjourned at 7:35 pm.

Respectively submitted,

Loretta Lawrence, Board Clerk
